From the Principals Desk...

Welcome: It is with great pleasure that we welcome Sofia Dioglois to room Puriri, and her parents Eve and Royce to our school community.

Cross Country: The day wasn't going to be the best and even our call to run it earlier didn't quite work out for us but we did it!

Our general reflection of the event was that the children looked comfortable running this year and were on a whole really well prepared to take part. With that in mind this is potentially a positive reflection of our PE programme and having Miss Lynskey working hard to prepare the children this term.

Once again I was super proud of the children. Regardless of the weather or time, all the children wanted to do was run their race or cheer their mates on. This attitude sits so nicely with our school value of resilience and a

particular focus we have had across our school for such events over the past few years.

It warms my heart to see our children so settled in class, so confident in singing and so willing in physical education.

School Disco Postponed: Our Community Group and myself have made a decision to postpone our school disco. We would need our country to move from alert level 2 to 1 and we feel this may not happen next week. Our new date is Friday October 30th.

School Policy Review: This term we are reviewing our "Learning Support" Policy. If you would like to be a part of the review please follow the instructions below...

4. Read the policy.
5. Click the Policy Review button at the top right-hand corner of the page.
6. Select the reviewer type "Parent".
7. Enter your name (optional).
8. Submit your ratings and comments.
9. If you don't have internet access, school office staff can provide you with printed copies of the policy and a review form.
