EVENTS

From the Principals Desk...

HERO Student Reports: We will next week on Friday be releasing updated goals and progress made in relation to Reading, Maths, Religious Education, Physical Education and also our first Inquiry Learning unit.

All information relating to your child's progress, current goals and goals achieved are stored on our school management system HERO. If your child is just new to St John Bosco as a 5 year old or newly enrolled there potentially will not be a full report on

your child yet as they have not been at school long enough.

This week we have included instructions as an attachment on how to log into HERO. You can access these by either:

- scanning the QR code
- clicking the link below the QR code to give you step by step instructions.

There is also another QR code or link to a video which explains how to

access different parts of your child's report.

We will also spend a small part of our upcoming learning conferences helping families navigate around HERO and learn a little more about the system...

by no way a massive commitment, you are not required to attend every meeting and you can provide support to the group in many ways and at different times.
